PAYMENT, FINANCING AND FUNDING

We are proud to offer various payment and funding options to our clients. Our goal is to ensure that the services and merchandise you select will be in keeping with your wishes, as well as your budget.

Payment Policy

Rod Abrams Funeral Home Limited has established the following **Uniform Payment Policy**. This payment policy enables us to operate professionally and economically for all the families we serve, as well as treat everyone equally.

- Payment for all Disbursement and Third Party Items that are not our charges (including Sales Tax) is due within 24 hours of the time the contract is dated and signed.
- Payment in Full (the "balance of the account") is due within 30 days of signing the contract (the "Due Date").
- Amounts outstanding after that date will bear interest at the rate of 18% per annum, calculated daily and compounded monthly, from the Due Date until paid in full. There will be a charge of $45.00 for any non-sufficient funds (NSF) cheques returned by the bank. Any costs of collection shall be the responsibility of the Purchaser.

For your convenience, we accept the following methods of payment: **Cash, Cheque, Bank Draft, Pre-paid Trust/ Policies, and Visa or Mastercard,** *(Visa or Mastercard may be used at the time of purchase, but may not be used if payment is made after the Due Date of 30 days).*

If the payment methods specified do not meet with your needs or your circumstances, special arrangements may always be discussed with your funeral director. Additional information about the funding, payment and financing options is available upon request.

Rod Abrams Funeral Home is a small privately owned business like many others in our community. Out of necessity we operate on and are dependent upon the families we serve for prompt payment. We do not have financial resources to extend credit over a period of months or years, nor can we fulfill the functions of a bank or other lending institution. ***If financing, extended credit, or a long-term payment plan is desired; a bank, credit union, or loan company of your choice should be contacted.***
We do not accept future payment from *"Estate Funds"*. Payment must be made by the Due Date and be reimbursed to you from the estate.

It is our goal to provide exceptional service to everyone. We respect the dignity of those we serve, and ask that if you know prompt payment will be an issue, please do not hesitate to tell us of your circumstances and we will tailor a service to fit your budget. We are able to offer alternatives and options for any situation, and if needed can aid in applying for assistance from the *County of Simcoe Social Services Department*, or the *Department of Veterans Affairs*. **Only before a contract is entered into.*

We are also pleased to explain Canada Pension Benefits*, Life insurance Claim* options, or any other funding you may be aware of. **But only the Estate or Executor of the deceased is able to apply for those.*

Funding Pre-Paid Funerals

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.
Trust: You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.
Insurance: You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
If you are prepaying for services or supplies, pre-authorized chequeing and credit card payment may also be available, (Please enquire).
